### THE 5-YEAR/60,000-MILE POWERTRAIN WARRANTY

#### New Vehicle Limited Warranty

We want your Ford Ranger ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.
